We are increasingly concerned about the number of patients not turning up for appointments.

If you are unable to attend, PLEASE contact the surgery as soon as possible and let us know, we can usually fill the appointment.

Dr Wolstenholme is now on Maternity leave and we congratulate her on the safe arrival of a baby girl.

Dr Halden Hutchinson-Bazely

I am a Royal Air Force doctor attached to the practice for 4 months as part of my training. I am also an emergency doctor for the ambulance service in Lincolnshire, and a track doctor for two motor racing circuits. I live with my fiancée in Northallerton and enjoy adventurous sports and hobbies.

Dispensary News

We are very pleased to welcome Debbie Lacy as our new Dispensary Team Leader. Due to new systems and staffing issues in the Dispensary over the past year we have not been able to provide the excellent service we aim for; however we are confident that the appointment of a new Team Leader will be a big step towards improving this. It may take a little time but we would like everyone to know that we are aware and are doing everything we can to resolve the issues.
